## Advanced Skin Treatments

### IPL Laser Alma Rejuvenation

#### Treating Lines, Pigmentation and Red Veins

IPL (Intense Pulsed Light) is the fastest most comfortable treatment technology to effectively minimize the appearance of lines, wrinkles, pigmentation blemishes and visible vascular damage from anywhere on your skin.

Refer to our website for more information.

### LED Light Therapy: Rejuvenate, Repair, Recharge

Add LED to any facial or skin treatment \$65  
Penetrates deep into the skin cells which convert the light into energy (like photosynthesis) producing proteins, lipids, elastin and collagen fibers to repair wrinkles, fine lines, pigmentation, sagging and enlarged pores. \$35

### Micro-Needling by Dermapen from \$249 (concessions available)

Using microscopic needles to trigger the skins natural healing response producing collagen within the skin. This treatment can be used to treat aging, pigmentation, scars, acne, open pores, stretchmarks, broken capillaries and much more.

### O Cosmedics Pro-Dermal Planning (allow 60 mins) \$149

Based on medical ingredients, biomimetic and encapsulated carriers, treatments offer intense skin changing results, skin youth and radiance. Followed by a soothing massage to your décolletage, neck and arms.

### O-Rejuv Gua Sha Facial Lift, Contour, Detox. \$149

The O-Rejuv is the ultimate system designed to lift, firm, tone and detoxify the skin. This compact, non-invasive, multifunctional device works by combining thermal massage, low level EMS (Electrical Muscle Stimulation) Technology and LED Therapy to stimulate microcirculation to oxygenate the skin for healthier blood flow and nutrient delivery.

### Environ Vitamin Infusion Therapy (allow 60 mins) \$149

The Environ DF Machine uses an electrical current to facilitate greater penetration of vitamins into the skin. Excellent for thin, lax skin, scarring, fine lines, wrinkles, pigmentation, broken capillaries, sun damage and uneven skin tone and texture. In this treatment we can target any of your skin concerns making this treatment specifically customized just for you.
